IBERO-AMERICAN CONFERENCES 2022

Lisbon, Portugal, hosts this year's editions of the IADIS Ibero-American conference WWW/Internet (<https://ciaca-conf.org/>) and Applied Computing (<https://ciawi-conf.org/>) during 9-10 November 2022.

IADIS Ibero-American conference WWW/Internet addresses the main aspects of the WWW/Internet, approaching both technological and non-technological features.

The IADIS Ibero-American conference Applied Computing aims to present significant research within the applied computing context, addressing topics that are essentially technical.

Every year these conferences join together Portuguese and Spanish speaking researchers and practitioners. Contributions to these conferences must be either in Portuguese or in Spanish, the official languages of the conferences.

*Important dates

- Submission Deadline (2nd call extension): 29 August 2022
- Notification to Authors (2nd call extension): 30 September 2022
- Final Camera-Ready Submission and Registration (2nd call extension): until 2 October 2022
- Conference: 9 - 10 November 2022

NOVEMBER 2022 IN
LISBON WITH CELDA,
ICWI AND AC

The 19th International Conference on Cognition and Exploratory Learning in Digital Age, the 21st International Conference on WWW/Internet and 19th International Conference on Applied Computing will be hosted in Lisbon, Portugal from 8 to 10 November 2022.

The digital age poses challenges at many levels, the 19th International Conference Cognition and Exploratory Learning in Digital Age reiterates, in every edition, its dedication to the main issues concerned with evolving learning processes and supporting pedagogies and applications.

The main issues of concern within the WWW/Internet are the focus of the 21st International Conference WWW/Internet that throughout its editions has witnessed the continuous development of innovative research regarding the context of WWW and Internet.

The 19th International Conference Applied Computing aims to address the main issues of concern within the applied computing area and related fields.

The official language is English. All conferences are blind peer-reviewed and best paper authors will be invited to publish extended versions of their papers in the IADIS Journal on Computer Science and Information Systems that is indexed by Emerging Sources Citation Index (Thomson Reuters), the IADIS International Journal on WWW/Internet and other selected International Journals and publications.

For detailed information on the conferences' dates and specific topics, please access each conference webpage (CELDA 2022 - <http://www.celda-conf.org/>, ICWI 2022 - <http://www.internet-conf.org/> and AC 2022 - <http://www.computing-conf.org/>).

***Important dates**

- Submission Deadline (2nd call extension): 29 August 2022
- Notification to Authors (2nd call extension): 30 September 2022
- Final Camera-Ready Submission and Early Registration (1st call): until 25 July 2022
- Late Registration (1st call): after 25 July 2022
- Conference: 8 - 10 November 2022

Join us and share your work with researchers from all over the world!

JOIN US ONLINE THIS DECEMBER FOR THE ITS, STE AND ICEDUTECH CONFERENCES

From 14 to 16 December 2022 the 12th International Conference on Internet Technologies & Society (<https://its-conf.org/>), the 10th International Conference on Sustainability, Technology and Education (<https://sustainability-conf.org/>) and the 9th International Conference on Educational Technologies (<https://icedutech-conf.org/>) will be held online on Zoom.

The ITS 2022 approaches the main challenges within WWW/Internet. It aims to explore the influence of the Internet in the Information Society, in light of its constant mutability.

The STE 2022 aims to address the main issues which occur by assessing the relationship between Sustainability, Education and Technology.

The ICeduTech 2022 is the scientific conference addressing the real topics as seen by teachers, students, parents and school leaders. Both scientists, professionals and institutional leaders are invited to be informed by experts, sharpen the understanding what education needs and how to achieve it.

These are blind peer-reviewed conferences. Authors are invited to submit their papers in English through each conference's submission page. Further information can be found on each conference website or if you prefer you can contact the conferences' secretariat at:

secretariat@its-conf.org

secretariat@sustainability-conf.org

secretariat@icedutech-conf.org

***Important dates**

- Submission Deadline (1st call extension): 2 September 2022
- Notification to Authors (1st call extension): 3 October 2022
- Final Camera-Ready Submission and Early Registration (1st call): until 26 September 2022
- Late Registration (1st call): after 26 September 2022
- Conference: 14- 16 December 2022

INTERNATIONAL CONFERENCE ON APPLIED MANAGEMENT IN THE 21ST CENTURY

The 2022 edition of the International Conference on Applied Management Advances in the 21st Century (AMA21) will be held online, via zoom. AMA21 seeks to provide a unique forum for presentation and discussion of the latest research developments and solutions for the current issues of the world economy. A global invitation is made to scholars, students, practitioners, organizations, government departments, policymakers and everyone interested in these subjects, to give their contribution.

The main topics can be found [here](#). However, innovative contributions

beyond these areas will also be considered. Acceptance will be based primarily on originality, significance and quality of contribution. This is a blind peer-reviewed conference and the official language is English. For more information, please contact the conference secretariat: secretariat@ama21-conf.org.

***Important dates**
