The 9th edition of the International Conference on e-Learning (part of the IADIS Multi Conference on Computer Science and Information Systems) was held in Las Palmas de Gran Canaria, Spain, during 21-24 July, 2015.

This conference was organized by the International Association for Development of the Information Society (IADIS) and co-organized by University of Las Palmas de Gran Canaria, Spain.

Co-organized by:

Once more the e-Learning conference aimed to address the key issues of concern within the context of e-Learning. This conference tried to cover both the technical as well as the non-technical aspects of e-Learning. The main tracks for submissions were: Organizational Strategy and Management Issues; Technological Issues; e-Learning Curriculum Development Issues; Instructional Design Issues; e-Learning Delivery Issues; e-Learning Research Methods and Approaches; e-Skills and Information Literacy for Learning.

The 2015 edition received 102 submissions from more than 24 countries. Each submission was anonymously reviewed by an average of four independent reviewers, to ensure that accepted submissions were of a high standard. Only 16 full papers were approved which meant an acceptance rate of 16%. A few more papers were accepted as short papers, reflection papers and posters.

Extended versions of the best papers were selected to be published in:

- the Interactive Technology and Smart Education (ITSE) journal (ISSN: 1741-5659)
- the IADIS International Journal on WWW/Internet (IJWI). ISSN: 1645-7641
In addition to the presentation of the papers, this event also included two keynote presentations given by Steven Duggan, Director, Worldwide Education Strategy, Microsoft, USA and Dr. Jacques Bulchand-Gidumal, Professor of Digital Enterprises and Entrepreneurship, University of Las Palmas de Gran Canaria, Spain.

**Keynote Presentation:**

**FAIL FAST AND FAIL FORWARD – EMBRACING FAILURE AS A NECESSARY PRECURSOR OF SUCCESS IN THE DELIVERY OF ELEARNING SERVICES**

by Steven Duggan, Director, Worldwide Education Strategy, Microsoft, USA

**Keynote Presentation:**

**A DIFFERENT PERSPECTIVE ON THE SINGULARITY POINT. HOW IT IS SUBSTITUTING JOBS IN THE SERVICE SECTOR**

by Dr. Jacques Bulchand-Gidumal, Professor of Digital Enterprises and Entrepreneurship, University of Las Palmas de Gran Canaria, Spain

In general, this edition offered once again a great opportunity to all their participants to discuss with success the most significant aspects regarding the theme e-Learning. It served as a forum that gathered researchers, practitioners, students and anyone that was working or studying in the field of Education.
